Kiwifruit Cup Day

Saturday 23 June | Details to come

The track is back and ready to race!

We are fast approaching the end of the season, with only two meetings left in our 2017/2018 racing calendar. The track is looking great, so we are set to end the season on a high and look forward to kicking off the next season with a full race meeting schedule.

REMINDER: The raceday scheduled for the 14th of April was transferred to the 17th of March.

Members social night

Finer details have not yet been finalised, but we want to hold a members social get-together one Friday evening in May, with drinks and nibbles and a chance to catch up. Please keep this in mind and watch out for the confirmed details once we have them - we hope you can all make it!

Board Members trip to Japan

A contingent of Board Members are currently in Japan for the New Zealand Trophy (G2) international exchange race with the Japan Racing Association. The team have had a fantastic time experiencing the Miho Training Center, the Nakayama Racecourse and of course the local cuisine and culture. Our Deputy Chairman, Frank Vosper, is looking rather dapper in his raceday attire! We are eagerly awaiting to hear all about their adventure when they return.

We sell Entertainment books!

The book contains hundreds of vouchers for restaurants, attractions, shopping, travel and more. There's 2-for-1 offers and up to 50% off! Books available for purchase from the secretary's office and there is also an online version. They are only \$65 - use one voucher and you have basically got your money's worth!

*They shall grow not old, as we
that are left grow old.
Age shall not weary them, nor
the years condemn.
At the going down of the sun and
in the morning,
We will remember them. Lest We
Forget.*
