General Manager's Blog

Hi everyone, I'm delighted to be joining Racing Tauranga at a time when the industry is undergoing a major overhaul.

I know it will create opportunities for your Club; be assured that we will be geared up to take advantage of anything which offers the right fit going forward.

The Board has given me a brief to crank matters up, maximise the use of the facility. It's much more than the racing part of the equation. As you know we have our own in-house catering operation, lovely function rooms & terrific grounds.

I love the community feel of this organisation and take heart in the fact that it is slap in the middle of a city growing like gang-busters.

So hello from me; I look forward to meeting you all in the time to come.

Kind regards – Adrian Clark
